

SEXIST JEREMY JAMM

Jeremy Jamm: "I think it is crazy that the most junior city councilor gets a private bathroom just because she is a girl."

Jeremy Jamm: "Gentlemen's agreement: in 90 days we'll put our plans to a vote, winner take all."

Leslie Knope: "Deal."

Jeremy Jamm: "Well, well, well, don't you ladies look nice...for once. Just kidding, I've actually always been attracted to this one [points at Ann Perkins]."

Jeremy Jamm: "[To Ann Perkins] Again, open invitation. I'm still technically married, but my wife knows the deal."

Ann Perkins: "Ugh."

Jeremy Jamm: "[To woman] Hey butter-teeth, what's up, I can fix those chompers for you, just come to Jamm Orthodontics."

Jeremy Jamm: "The nurse still won't have sex with me and she's not even queer!"

Jeremy Jamm: "Yeah we did a trade: I gave his wife new enamels, he gave my wife new yabbos."

Jeremy Jamm: "Heh, no I was with Johnny Cougar Mellencamp at that music fest, we both thought, 'biggest yabbos we've ever seen in Indi...'"

Jeremy Jamm: "I'm way ahead a' yah there girly."

Jeremy Jamm: "Yeah dead ringer for Courtney Thorne-Smith, she works at the gas station."

Ron Swanson: "I've made my point, Leslie has made hers, which way are you voting councilman?"

Jeremy Jamm: "Uhh, well I'm kinda still on the fence about this budget thing, but I do love watchin' you guys squabble over me. You sure make a guy feel like a real lady."

Jeremy Jamm: "Let's tear this chic a new one."

Jeremy Jamm: "[To April Ludgate] Can you give me even one reason why you're the right man for this job?"

Leslie Knope: "Hey what are you doing tonight?"

Jeremy Jamm: "More like, 'Who am I doing tonight?' hahahahahahaha"

Jeremy Jamm: “Everyone take your seats, so this witch hunt may proceed as scheduled. Speaking of, uh, where are the witches? Heheheh.”

Leslie Knope: “They’re right here! Well we’re not witches, that’s sexist and offensive.”

Jeremy Jamm: “A filibuster? Are you duking on my chest right now?”

Jeremy Jamm: “[Talking about his yellow Porsche] Got an Asian girl to sit in it once. Heheheh”

Jeremy Jamm: “But uh, we’ll keep your money safe baby girl.”

Leslie Knope: “...A calendar featuring some of your favorite female wrestlers! [gives to Jamm]”

Jeremy Jamm: “[whistles] Oh yeah, Knope you know the way to a man’s heart.”

Leslie Knope: “OK, here’s an idea, Um, maybe we name part of the park the ‘Jamm Zone?’”

Jeremy Jamm: “hmm, yeah, Jamm could dig on that.... How ‘bout if in the Jamm Zone there’s no married chic’s allowed?”

Jeremy Jamm: “[To Leslie Knope] You know in uh, in some weird, perverted, sexual way I’m gonna miss you when you’re gone.”

Jeremy Jamm: “[To Leslie Knope] What have you got there for me, some dirty mags?”

Leslie Knope: “No!”

Jeremy Jamm: “Knopey my girl, what up?”

Jeremy Jamm: “Can’t choose sides, although, if I had to pick one side it would be Lucy Liu’s backside...hohohoho [claps] hohoho.”
