

SEXIST TOM HAVERFORD

Tom Haverford: "I mean, you probably feel like you need to move on – "

Anne Perkins: "Whaa – "

Tom Haverford: " – just become more adventurous in relationships with your body. I'm very comfortable around women – attractive women. I've spent a lot of time around them."

Tom Haverford: "This is a classic."

April Ludgate: "That's the best one."

Tom Haverford: "The upskirt photo."

Leslie Knope: "Tom, have you booked the hall yet?"

Tom Haverford: "Yes sir."

Tom Haverford: "Am I talking to the two sexiest thighs in Landscaping? Yes I am, 'cause I'm talking to Marcy. How's it goin'?" Tom Haverford."

Tom Haverford: "I'm oddly attracted to Kate Speevak."

Tom Haverford: "You nailed Malwae-Tweep? Nice."

Tom Haverford: "If five years ago you told me I was gonna be in this ballroom with Marlene Griggs-Knope, I woulda guessed we were gettin' married. Now the words "too sexy" aren't really in my vocabulary, but Marlene, girl, you are too sexy!"

Tom Haverford: "Brendanawicz! Let's bounce, we're gonna be late."

Mark Brendanawicz: "For what?"

Tom Haverford: "Ladies. Scully's Bar. Let's go. Bounce, bounce, bounce."

Tom Haverford: "Ladies don't stand a chance."

Tom Haverford: "If there was a Tellenson Award for hooking up with trashy chicks all the time, you would have several of those awards. You're the king. You're my hero."

Tom Haverford: "Oh my God. Your boobs are dead."

Tom Haverford: "Look at how hot she is! Isn't that crazy?"

Tom Haverford: "You have the softest skin of any woman in Pawnee."

Tom Haverford: "Nice job, Paul Blart. Why don't you head back to the mall and see if anyone is breaking into Lady Footlocker?"

Tom Haverford: "Keep it in your pants, Knope!"

Tom Haverford: "What's disgusting is the Glitter Factory. Do not go to the Glitter Factory."

Tom Haverford: "But if you don't call in favors to look at women in bikinis and assign them numerical grades, then what the hell do you call in favors for?"

Tom Haverford: "34C. 36B. 34B. 34D. 32A!? How'd you get in here?"

Tom Haverford: "Uh, yes I have a question for the hot one."

Tom Haverford: "The hot one!"

Mark Brendanawicz: "Tom, you're married and you hit on women constantly."

Tom Haverford: "Yeah, but I've never sealed the deal. Just window shopping."

Tom Haverford: "Once in high school, a girl beat me in a wrestling match. That's it. I bet anything I could find way worse stuff on all you guys."

Tom Haverford: "You're super hot. Everybody else has to deal with it."

Tom Haverford: "You showed up at the guy's house, in the middle of the night, drunk, and you didn't even sleep with him?"

Tom Haverford: "Can't wait to see how tiny your costume is."

Tom Haverford: "Get your raggedy ass over here girl!"

Tom Haverford: "Damn! How does sewage always get all the hottest interns?"

Tom Haverford: "This is an outrage, Mark's not even in an apartment!"

Mark Brendanawicz: "Neither is Anne."

Tom Haverford: "But Anne's hot, and that counts for something. "

Tom Haverford: "I like pretending to be sad. I now see why girls do it."

Tom Haverford: "Have you seen Anne? You know how hot she is? Men give women of that caliber speedboats, private jets. Not computer bags."

Tom Haverford: "What's happenin', sweetheart?"

Tom Haverford: "I used to love Tiger Woods because he was a great champion. But after that sex scandal, the man is a god."

Tom Haverford: "...wear it, on my head? Try it out with the ladies."

Ron Swanson: "Be my guest."

Tom Haverford: "Hi. I'm Tom. I have a racoon on my head."

Tom Haverford: "Uh, excuse me. My friend over here was digging through your trash and I think we might have a lot in common. I'm Tom. Would you like to see a movie sometime?"

Tom Haverford: "Are you a racoon? Because you've been running around my hat all – head all day."

Tom Haverford: "'Girl, you're more precious than Precious.'"

Donna Meagle: "Unh uh."

Tom Haverford: "'Nice hat, wanna bone?' That's you talkin to me."

Donna Meagle: "No. How about, 'Yes I am a hunter, and it's you season.'"

Tom Haverford: "Woah! That's great. I gotta get back out there."

Tom Haverford: "You know what they say: 'Animal on the head, manimal in the bed.'"

Tom Haverford: "Damn, girl. Your hotness killed my racoon!"

Tom Haverford: "I have a racoon hat, I'm an interesting person! Hello!"

Tom Haverford: "Step three: have sex with a model."

Tom Haverford: "Now I didn't want to have to do this, but we may have to go nude."

Tom Haverford: "I need to look good for Jessica. You wanna attack the senses of the lady you wanna bed."

Tom Haverford: "Jessica Wicks! Hey boo. Are you aging in reverse? 'Cause you look barely legal."

Tom Haverford: "After you, I'd hate to miss the view."

Tom Haverford: "It was supposed to be me and Anne. Or me and Jessica. Or Anne and Jessica, with me watching."

Tom Haverford: "I'm using the occasion to stock the club, with every available hottie I know. Call me a romantic, but I believe by the end of the night I will have between one and four new girlfriends."

Tom Haverford: "I hope you all know that I was instrumental in getting Trish crowned Ms. Pawnee. What was your talent again? Oh yeah. Looking amazing. *laughs* Hey, ladies. Is there anything you desire at all, besides me?"

Tom Haverford: "By the way I've been given away free sports bras to the girls at Hot Dog on a Stick."

Tom Haverford: “My girlfriend Lucy is the sexiest woman in town. She’s Cuban, she’s got tattoos, and she’s into me, which, as far as I’m concerned, is the sexiest quality a woman can have.”

Tom Haverford: “Every Thursday night is Ladies Night down at the Snakehole Lounge over on Bernam Avenue. Ladies get two drinks for the price of one. Wait, no that can’t be right. That’s way too good of a deal. Nope. That is what it says. Wow, that sounds like a fun time.”

Tom Haverford: “She broke up with me. Didn’t really tell me why. Luckily when you’re the guy, you can just tell people that she’s crazy. ‘Hey, Tom I heard you and Lucy broke up.’ ‘Yeah man, turns out, she’s crazy.’ That’s what they always do on Entourage.”

Tom Haverford: “Hold on a second. Did you get your breasts done? You look amazing!”

Tom Haverford: “I have a question. What if we’re scaling a cliff, and I start to fall? Can I grab onto your boob for support?”

Tom Haverford: “One of my life goals is to be a best man. It’s a baller position. You get drunk, you make speeches, aaand, you make love to the prettiest bridesmaid. Usually standing, from behind.”

Tom Haverford: “Excuse me! Are there any strippers here?”

Tom Haverford: “You know what else gets people’s heart rate up? Doin’ it. Talkin’ about sex with my boss.”

Tom Haverford: “I make 26 profiles. Each designed to attract a different type of girl. Tom A. Haverford – sporty and sexy. Tom B. Haverford – smooth and soulful.

Ben Wyatt: “Do you know anyone who’s looking for a roommate?”

Tom Haverford: “How hot?”

Ben Wyatt: “I...what?”

Tom Haverford: “How hot is the woman that’s looking for a place to stay?”

Ben Wyatt: “It’s me, I’m looking.”

Tom Haverford: “Oh, c’mon that’s not fair. You shouldn’t have led me to believe it was a beautiful woman.”

Tom Haverford: “She might be up all night, but I think someone else is going to be doing the cramming.”

Tom Haverford: “I gotta get outta here, pronto. Time to get those old ladies to do my work for me. How? By shining down on them, with the Haverford charm ray.” *shoots finger gun*

Tom Haverford: “I tend to work best with young attractive people.”

Tom Haverford: "I totally agree with you that people should be allowed to have sex in public places."

Tom Haverford: "'Cause I'm sweet, smooth, and the ladies, love me."

Tom Haverford: "I'm just curious if Anne has a little Indian in her."

Leslie Knope: "Silence."

Jerry Gergich: "I don't think she does."

Tom Haverford: "Would she like some?"

All: *groans*

Anne Perkins: *pulls hat out of box* "Wow."

Tom Haverford: "Yeah and look, I got one too! Matching his and hers."

Anne Perkins: "So I'm Tommy's Girl and you're just Tom? Why not Anne's Man?"

Tom Haverford: "Haha nobody owns me, cupcake. Not even you."

Tom Haverford: "It's always the most beautiful ladies who hurt you the worst."

Tom Haverford: "It allows for the possibility of high-speed skinny dipping."

Tom Haverford: "For instance, I was incredible at naming drinks at the Snakehole Lounge, because I care a great deal about signature beverages. The Beeryonce Knowles, just a regular beer, but we put it in a sexy-ass mug."

Tom Haverford: "Chick's name is Anne Perkins. Look her up on the government website. She is craazy hot."

Tom Haverford: "But Bobby Newport is super handsome and charming, so that means that people will probably vote for him because there's no justice in the world. We all know that the better looking parks will get more attention from the lady parks who want to have sex with it."

Tom Haverford: "Every day, I start by hitting up Facebook, Twitter, Tumblr, and Instagram. Sometimes, I like to throw in LinkedIn for the professional shawties."

Tom Haverford: "What up, playboy? You like that jacket?"

Tom Haverford: "I mean you've already made history, as the world's most beautiful CEO."

Tom Haverford: "Much like women in 90's stand-up comedy routines, Tommy be shoppin'."

Tom Haverford: "This is my last chance. If this goes down in flames, I will have nothing. Except my looks. I can always pit myself out to hot older ladies. I need to remember that."

Tom Haverford: "I spent my entire life reading instruction books about relationships in order to trick women into liking me."
