

# WEB PAGE MOCK-UPS - 100 HOMEWORK POINTS

You will create one mock-up in Photoshop of one of the web pages you are designing for your rhetorinalysis. Make the mock-up a pngs.

The mock-up should be as complete as possible and include the following:

1. mock-up that has an overlay of HTML features. Show your HTML markup.
  - a. <div>
  - b. <main>
  - c. <article>
  - d. <nav>
  - e. <header>
  - f. <footer>
  - g. h1->h6

Post your mock-up to your websites and then email me the link.

Mock-up dimensions  
*width: 1000px*  
*height: 800px*

Above each mock-up, you will contextualize the mock-up and describe why you did what you did in the design. In 300-400 words tell me why your design is better than the current design.
